

Ten Mill Limit On Taxes Would Cut \$250,000 Here

Auditor Estimates Reduction in County as Proposed in State Petition.

Adoption of the proposed constitutional amendment reducing the real estate tax limitation to 10 mills would mean a reduction of approximately \$250,000 on Marion county real estate annually, it was estimated today by County Auditor Earl E. Thomas.

Auditor Thomas made this estimate after Carlisle S. Dargusch, member of the state tax commission, had been reported by the Associated Press as having estimated that the reduction of real estate taxes in Ohio would amount to \$45,000,000 annually if the proposed amendment is made a law by action of Ohio voters next November.

Dargusch said the savings to the public utilities alone would amount to nearly \$7,500,000 a year. Utilities now are paying about one-sixth of the real property taxes of \$32,000,000, he explained.

Pay One-Sixth Here
Auditor Thomas said he had no data at hand to show what proportion of Marion county real estate taxes is paid by utilities, but roughly estimated that the utilities, including the railroads, pay approximately one-sixth of the annual real estate tax bill of this county.

Approximately 3,000 Marion county residents recently signed petitions asking that the proposal to reduce the tax limitation be submitted to Ohio voters in November.

Dargusch said that on the basis of the 1932 tax assessments of \$210,000,000, the five mill reduction provided by the proposed amendment would add about \$9,000,000 for each mill. The average over the state at present is 22 mills.

ABOUT ANYTHING

IN AND AROUND MARION

Another Worry

Owners of fish ponds have their trouble. One Glaser avenue resident was all affluster about a recently completed pond. It was quite a decorative addition to the back yard. On one of those muggy hot days she strolled out to find one of the neighborhood boys peddling around in her fish pond having a delightful cooling-off.

Gentle Reminder

Little boy leaning out the window of a car parked on South Main street. "And don't forget, Aunt Jane, a 10 cent airplane."

Get 'Em To Fit

Practically everyone who's going to the World's fair knows by now that the big item is comfortable walking shoes. An East Church street resident, in search of comfortable shoes, purchased oxfords, a size larger and a size and a half wider than usual footwear. After the first day of walking she discovered that shoes can be too large for comfort. Both of her heels were blistered.

Live and Learn

One man in the vicinity of Lake Erie is eating beans this morning. At least that's what his wife said the other night. He visited a side-show recently and at one of the little "quicker-than-the-eye" spots, he won two-bits for two-bits. He put the half-dollar with \$2 and was to win \$22. Instead he lost \$2.50, and did his wife tell him? And knowing before he started in

Marion Couple, Wed Sixty Years Ago, To Celebrate

Mr. and Mrs. Jacob Loudenslager will celebrate their sixtieth wedding anniversary Monday, Aug. 28, at their home at 655 North Main street. A family dinner at noon will be attended by the children and grandchildren of the celebrants and they will keep open house to their friends and acquaintances from 2 to 9 p. m.

Celebrating the anniversary with Mr. and Mrs. Loudenslager will be the latter's sister, Mrs. Marion Barnhouse and her brother-in-law, John Martin of Morral, who attended the wedding solemnized by Rev. John Graham, a Methodist minister of Carey. The wedding took place at the home of Mrs. Loudenslager's parents, Mr. and Mrs. Joseph May in Wyandot county. Their wedding trip was to Ada where they visited relatives.

With the exception of a short time spent in Nebraska, where they moved two years after their marriage, Mr. and Mrs. Loudenslager have resided in Marion county. Prior to moving to Marion 18 years ago they lived on a farm three miles southwest of Morral. Both are members of Epworth M. E. church.

Mr. Loudenslager will celebrate his eighty-four birthday Sept. 17 this year and his wife was 78 March 12 this year. He was born in Germany and came to Wyandot county

with his parents when he was 13 years of age. Mrs. Loudenslager is a native of Wyandot county. Her grandmother, Mrs. Sarah May was a pioneer of the county and kept tavern at Brush Ridge.

They have seven children, A. J. Loudenslager and Mrs. B. W. Van Meter of Big Island township, Harley Loudenslager of East Center street, Marion, Mrs. Lloyd Williams and Mrs. B. C. Reese of near Morral, Mrs. Beula Will at home and Mrs. Glen Pleasant of Columbus.

They also have 13 grandchildren and three great-grandchildren. Mr. Loudenslager has one brother, Henry Loudenslager of Adrian, Mich.

HEARING HELD ON NEW ROAD PROJECT

Only Minor Objections Made to Proposed Cut-off.

Special to The Star
MT. GILEAD, Aug. 24—at a public hearing held Wednesday at the courthouse here only minor objections were made to the proposed Neal avenue cut-off to connect Routes 42 and 61 south of the corporation line here. The plans of the state highway department include the cutting of an entirely new roadway from the farm of Odus McElreath on Route 61, the Mt. Gilead-Sunbury road, to Route 42 near the south line of the fairgrounds.

H. D. Shoonover, state highway division engineer, was in charge of the meeting.

Schoonover stated that money is available for the construction of the cut-off and that if approved all plans are now ready so that a contract could be let in a few weeks and the work completed this year.

If your elephant wants to ride on top
IT'S ALL RIGHT WITH A CHEVROLET

We didn't actually plan on elephants when we chose the bodies for the new Chevrolet. But we did choose bodies rigid enough, and strong enough, to support six tons of elephant or anything else you can name. Fisher bodies . . . steel bodies plus a hardwood frame . . . exactly the same type of bodies used on all 12 and 16-cylinder cars. Steel alone is not enough to make you as safe and secure as we want you to be in a Chevrolet. A steel body, welded into a solid wall of protection plus resilient hardwood reinforcing to take up stress, absorb shocks and

prevent the steel from following its natural tendency to buckle under pressure makes the sturdiest body of all—the kind used on the Chevrolet, and on no other low-priced car. Remember that when you buy a car. Be sure to get all you pay for . . . the super-safety of a steel-plus-wood Fisher body.

HOUSE OF DAVID WALLOPS CAREY, 12-2

Before the largest crowd which ever saw a baseball game in Carey, the House of David team was defeated in a night game Tuesday by the House of David, 12-2. The losers were outclassed by the well-known nine but battled all the way.

The House of David pounded out 17 safe hits off C. Keckler and G. Walborn, including several home runs. Wickiser led Carey at the plate.

Carey will meet the Columbus Travelers for the third time this season Sunday. Both teams have won one game so far.

SNYDER—Frank Snyder of Galion was elected president of the Snyder reunion held Sunday at Lebanon. More than 70 relatives were present from Mr. Glead, Van Wert, Delphos, Galion, Mansfield, West Point and Lexington. Other officers elected were: Webb Fischer of Galion, vice president; Mrs. George Hill of Lexington, secretary; Mrs. E. J. Snyder of Marion, treasurer. The next reunion will be held in Galion.

WALTERHOUSE—Members of the Elmer Walterhouse family held their annual reunion Sunday at the Edward Halliday home in Upper Sandusky. In attendance from Meeker, Sandusky, Belleville, Ocala, Toledo, Chafford and Upper Sandusky were present.

ORPHANS OWN DISTRICT
By United Press
SAN ANTONIO, Tex.—A school district that includes as pupils only children housed under one roof, has been authorized by the state board of education. It consists of the property of the Protestant Orphan Home, adjoining the city. Creation of the district permits payment of a state per capita school allowance which ordinarily is fixed at \$15 to \$17 a year. There are 250 children in the home, which will have its own school.

X-70 GIVES 22.69 MILES PER GALLON

SOHIO MOTOR OIL GIVES 955.52 MILES PER QUART

No wonder that 49,311 motorists in 13 Ohio cities who were asked their gasoline preference by R. L. Polk & Co. voted X-70 more popular than the next five gasolines combined! That's why we say, "For a 'regular' gas you just can't beat X-70."

No wonder that more and more Ohio motorists are relying on Sohio Motor Oil not only for long oil mileage but also for long car-life.

Dail H. Gorman Here Sept. 3

MISS MABEL HASTINGS, daughter of Mr. and Mrs. J. H. Hastings of LaRue, has chosen Sunday, Sept. 3, as the day of her wedding to Dail H. Gorman, son of Mrs. L. E. Gorman of 212 Grand avenue.

The marriage service will be read by Rev. Lawrence A. Wood, pastor, at 11:45 o'clock at Trinity Baptist church immediately following the morning worship service. Open church will be observed.

Miss Hastings has been employed as City health nurse in Marion for the last five years. Her resignation, submitted Aug. 4, became effective Aug. 15.

Children Give Program at Farm Club Meeting

A children's program was given at a meeting of the Marion Progressive Farm Women's club yesterday afternoon with Mrs. S. W. Baker of the Marion pike. Mrs. Roscoe Retterer and Mrs. Lloyd Ivey were assisting hostesses. Forty-five women and children were present. The meeting opened with a song, followed by devotionals by Miss Ruth Frayer. A song preceded recitations by Joan Smith, Robert Brockelsby, Maxine and Donna Ruth Retterer, Leona Mae Smith, Virginia McGlinch, Mae McKibben and Clara Mae Frayer. A piano solo by Leona Mae Frayer was followed by a recitation by Felicia Augustine and a flute solo by Vera Mae Smith, accompanied at the piano by her mother, Mrs. Clay Smith. Josephine and Esther Haley sang a duet, with their mother, Mrs. E. O. Haley, at the piano. Marjory Epley concluded the program with a piano selection.

Plans were made for a winter roast Aug. 29 at the John Frayer home on the Columbus-Sandusky pike. Mrs. George Bastian will entertain the club Sept. 27 at her home on the Marion pike.

Chorus Members Give Party

Fifteen members of a young people's chorus that met several years ago with Knox Dunlop, director, surprised Mr. and Mrs. Dunlop last evening at the U. G. Lawrence home on East Center street where they are spending the summer.

An informal social evening was followed by refreshments.

Win Honors at Club Meeting

Mrs. Maude Diller was hostess to the Tranquillity club last evening at her home on Mt. Vernon avenue. Three tables were set for point euchre, honors going to Mrs. Pearl Cahill, Mrs. Emma Wedertz and Mrs. Ethel Richards. Omer Goodrich was a guest. The club will meet with Mrs. Emma McCluskey of Woodrow avenue in two weeks.

Two tables were filled for bridge when Miss Mary Ewing entertained the C. B. C. club last evening in the green room at Hotel Harding.

BRUNETTES PREFERRED

The fact that both the winner and runner-up of the bathing beauty pageant at Long Beach, L. I., are brunettes does not necessarily mean that the judges are not gentlemen. It just goes to show that not all gentlemen prefer blondes—that's all. Here are Winifred Mackey, right, the winner, and Rose Pruitt, runner-up, proving the judges showed admirable taste.

Joliet, Ill., who have been guests of their sister, Mrs. J. R. Strausbaugh of Cherry street and her brother, J. A. Deubing of Pearl street, have gone to Gallion where they will visit relatives before returning home.

Miss Mary K. Kelley of Kenton is visiting Miss Rhea Harrod of Spencer street.

William Smith of Franklin street and Robert Kramer of South State street left last night to spend a week at the World's fair in Chicago.

F. A. Sparks of Cleveland avenue is spending a two weeks vacation in visits at the Chicago World's fair, and in Detroit, Toledo and other cities. Mr. Sparks is track supervisor of the Marion district of the Chesapeake & Ohio railroad.

Mr. and Mrs. Harvey Klinefelter of Clearwater, Fla., and Mr. and Mrs. S. L. Watting of Merritt Island, Fla., were dinner guests Tuesday night of Mayor and Mrs. W. C. Phillips of 708 East Center street. Mr. and Mrs. Klinefelter are former Marion residents and Mr. and Mrs. Watting formerly lived in Prospect.

Miss Ruth Yazel of Carver avenue has returned from the home of Mr. and Mrs. William Risch of north of Big Island, where she was a guest for the last week.

Mrs. W. B. Collier and children Helen, Patricia Ann and Charles, of Santa Claus, Ind., are visiting Dr. and Mrs. Charles E. Turley at the Epworth M. E. church parsonage on East Center street.

Miss Esther Haley, student nurse at Bethesda hospital in Cincinnati is spending two weeks with her parents, Mr. and Mrs. E. O. Haley of Mt. Vernon road.

Personal Mention

Misses Muriel Wise, Frances, Georgia and Inez Kramer, Thelma Fisher, Mary and Ruth Frayer of east of Marion, Mildred Evans of Prospect and Florence Heinen of Mt. Zion returned yesterday from a week's outing at Indian lake.

Karl Bechtel of 245 East George street and Donald Garver of 190 Bellevue avenue are spending a week attending the World's fair in Chicago.

Walter Prendergast, second secretary at the United States embassy at London, arrived today for a visit with his brother and sister-in-law, Mr. and Mrs. J. Harold Prendergast of East Church street. Mr. Prendergast arrived in New York on the Olympic.

Sister M. Frederica of Des Plaines, Ill., and Sister Melania of

Ceremony for Boston Couple Performed Here

OPEN church was observed for the marriage of Miss Gene E. Roberts, daughter of Mr. and Mrs. E. G. Roberts of 187 Superior street, and Joseph Faragher Leavitt, both of Boston, solemnized this morning at 11:45 o'clock in the First Presbyterian church here.

The single ring service was read by the pastor, Rev. Howard L. O'wiler.

The sanctuary was decorated with baskets of white gladioli banded with greenery and lighted with tapers held in two candleabra.

As the guests were being seated Miss Marion Herr and Charles G. Miller of Prospect, played a program of organ and violin numbers, including "Tossie's Serenade," "Salute d'Amour" and "Japanese Sunset." Bridal music was played for the processional and recessional and the "Serenade" was the musical theme played throughout the ceremony.

The bride's wedding dress was a Lelong model made with a short train and her veil was of tulle. Her flowers were a bridal bouquet of gardenias and lilies of the valley. She was given in marriage by her father and her attendants were her sister, Miss Roberta Roberts, maid of honor, and Miss Alice McKinley and Miss Ray Schlegel of Boston, bridesmaids. The attendants wore gowns of ivory crepe with leghorn hats with long flower trimming. Miss Roberts' bouquet was fashioned of white colored gladioli and yellow snapdragons and the bridesmaids wore bouquets of gladioli in flame tints.

Benjamin Burton Lovett of Brookline, Mass., attended his brother as best man and the ushers were John Bush of Marion and Langdon Spring of Newton, Mass.

The bride's mother wore a gown of blue and white crepe with white accessories and Mrs. Leavitt was in gray sheer with harmonizing accessories. Mrs. Roberts wore pink roses and Mrs. Leavitt yellow roses arranged in shoulder bouquets.

Miss Gienna Phillips of 328 Cherry street has gone to Staten Island, N. Y., where she will be the guest for two weeks of her cousins, Rev. and Mrs. H. C. Burkholder.

Mr. and Mrs. T. S. Evans of Burlingame, Calif., who have been visiting Mrs. Evans' parents, Mr. and Mrs. F. D. Schweinfurth of 501 Cherry street and her brother, W. F. Schweinfurth of 489 Cherry street, left this morning for Pittsburgh, Pa., Huntington, W. Va., and points in the east. When they return to Marion in two weeks, Mr. Evans will leave for the west coast and Mrs. Evans will stay with her parents for several more weeks. They attended the World's fair before coming to Marion.

Mr. and Mrs. Joseph H. Mason of 435 East Center street will leave tonight for Vandalla where Mr. Mason will enter the Grand American handicap trap shoot which is being held there this week.

ANNUAL MEMORIAL SERVICE PLANNED

Plans were made for the annual memorial service to be held Sept. 10 at the meeting of Eclipse Favorite No. 40, L. A. B. of R. T., yesterday afternoon in the Druids hall.

The service will be held at 4 o'clock in the hall and will be open to the public. Officers and members will conduct the memorial and following the service graves of deceased members will be decorated. The next meeting will be Sept. 13.

The counter, mirrors and other equipment of the Klondike restaurant in Brookfield, Mo., were wrecked by the explosion of a keg of beer.

Following the ceremony a small reception was held at the Roberts home and later Mr. and Mrs. Leavitt left on a wedding trip. After Sept. 18 they will be at home in Roslindale, Mass.

The bride graduated from Harding High school with the class of 1925 and for the last seven years has been making her home in Boston. Mr. Leavitt is the son of Mr. and Mrs. Frederick A. Leavitt of Brookline, Mass. He is a graduate of Dartmouth college and a member of the University club.

Former Marion Resident Is Wed

Announcement has been made of the marriage of Miss Hazel McDowell, formerly of Marion, and Ernest B. Gambill of Steubenville which took place June 6 at Wellburg, W. Va. The ceremony was read by Rev. A. C. Wiggins. Mrs. Gambill is a niece of Mrs. O. Boggs of Avondale avenue. Mr. and Mrs. Gambill are at home at 1322 Steele avenue, Steubenville. The bridegroom is associated with the General Baking Co. in that city.

OUR QUEER DOLLAR, cheap in foreign lands, hard to get and impossible to borrow in this fair country, continues to act up. Yesterday it went off violently, while the pound rose. The dollar in foreign countries was worth at 2 p. m. yesterday a fraction over 72 cents. Not long ago, as regards its purchasing power, it was up to \$2. Some that guess well predict that genuine inflation will appear at the end of the year and we shall have a 80-cent dollar.

costs at \$39 for elementary and \$66 for high school pupils; create a system of liability insurance for protection of children transported in buses, and also a system of fire insurance for school property.

Other Bills Ready

Five other bills designed to correct flaws in the school program adopted at the regular legislative session or to make them more workable also were approved for introduction. They would repeal the Lowery amendment to the general appropriation bill which requires school districts to reduce their real estate levies by the same millage as they receive state aid through the gasoline fuel and intangible taxes; appropriate the money raised under the gasoline fuel and intangible tax laws, extend the time under the Lloyd law during which school boards may issue certificates to pay back salaries of teachers and other expenses in state-aid districts, and appropriate \$53,500 as the state's subsidy for county superintendents' salaries.

Under the proposed bill to establish maximum costs at \$39 and \$66 for each elementary and high school pupil, respectively, it is proposed to render additional state aid to any district which shows a deficiency for that amount after applying its revenues to be derived from the gasoline fuel and intangible taxes and a real estate levy of at least 7.85 mills.

Though the question of state aid to the parochial schools was not injected into the committee's first

consideration of the school program, it is expected to find its way there soon. The special committee investigating the subjects yesterday made its formal recommendation to the senate that aid be granted.

Homemaker's Question Box

Question—After cleaning a white straw hat it still looks very soiled. Can it be bleached successfully at home?

Answer—A sunburned hat can be bleached but the success of the process will depend on how badly discolored the straw is. Very badly sunburned straw is usually permanently injured. Bleaching in this case will only temporarily restore the whiteness and may hasten the further weakening of the straw, but it will greatly improve the appearance of the hat.

A mixture of lemon juice and sulfur (juice of two lemons strained, and one level tablespoon of sulfur) rubbed into the straw of the hat will bleach it quickly. Brush off the loose sulfur and wash with a soft cloth wrung from clean water to completely remove all sulfur. Place the hat on a rack and in the shade to dry.

Hydrogen peroxide is often used for bleaching badly discolored Panama straws. Scrub the hat with a soft cloth moistened with the peroxide. Then rinse thoroughly with a second cloth wrung from clear lukewarm water and dry the hat on a rack in the shade.

take. Carolyn interposed with the
exaggerated idea of "playing up to
the other girl" which so many
modern young things have.

"I think that would be lovely of
you, Avis," she said gallantly. "Of
course, the boys wouldn't want to
go without a girl, especially as
they're chasing a bride as well as
a groom and as long as we can't

"Thank you, that is sweet of

I'll promise to return him without
even a scar on his heart. I shall be
on my very best behavior. Cross
my heart! Hope to die!"
Her smile, which I have heard
her say has been called Mona

more forcibly of that of the Ches-

complacent meaning. If she chose,
that smile said she would return
with both boys shackled in her

her forbearance, her refusal to use
her lure, would give either Marion
or Carolyn a chance to prove the
loyalty of their suitors.

I felt as if I should shriek aloud
as I waited what seemed an inter-

PARTY DRAWS BATTLE LINES

Democratic Factions Ready for Test in Row Over State Chairmanship.

WHITE BACKING WATSON

Nolan's Supporters, However, Confident of Victory Over Findlay Man.

By The Associated Press
COLUMBIA, Mo., Aug. 24.—An embittered battle drew to a close today for the state chairmanship of the Democratic party. The contest was a test of the power of the state chairman, Henry G. Brainerd, of Marion, who wanted to head the home-rule campaign in Ohio.

John F. Nolan, of Springfield, who had represented himself as a candidate in the 1934 election, announced shortly before the 43 members of the state central committee gathered to vote that he had made a complete check and was confident of victory.

From Dr. Carl Watson of Findlay, advanced by Senator Bulkley, in whom Governor White definitely threw his support, came no word.

Dr. Watson was fishing for fish in Michigan as Nolan angled for the committee's ballots, heartened by a demonstration of supporters who tried yesterday to storm the governor into support of Nolan.

Nolan Aids Active
More than a hundred of Nolan's constituents descended on the executive, wearing "We want Nolan" tags and demanding the governor go to the front for their leader.

But the governor was abashed. He repeated to them that Dr. Watson was "satisfactory" to him and then went further to tell the group of regret that I must be against such a loyal Democrat as Johnny," abandoning his hands-off policy.

In the struggle that preceded today's fight—flaring since Bulkley and Nolan definitely broke last Saturday—the names of Burr C. Gongwer, of Cleveland, and Earl Leech of Lima, were little heard. When the committee members and women gathered to vote this afternoon, it was expected to be Watson vs. Nolan.

C. & O. VETERANS TO ATTEND MEET

L. C. Nedds, car foreman and M. Moran, yard conductor will go to Columbus Friday night where they will join other C. & O. Railroad employees and entrain in a special car for Cincinnati to attend the annual Veterans association meeting Saturday.

More than 2,000 employees of the entire system who have been in the employ of the company 25 years or more will attend the one-day reunion which will be held at the Zoological gardens. A program of entertainment has been arranged, including a banquet and a tour of interesting points in the city.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

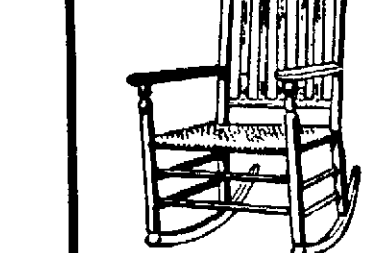

If you feel sore and sick and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your downed-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If the bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste in your mouth. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile down freely and make you feel "up and up." They contain wonderful, harmless, subtle vegetable extracts, amazing when it comes to making the bile flow freely. But don't take liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Recent substitutes. 25c at drug stores. © 1931 C. M. Co.

90 Farmers at Second Wheat Control Meeting

County Producers Indicate Support of Program by Request for Application Blanks.

By The Associated Press
ST. LOUIS, Aug. 24.—As the toll of the epidemic of "sleeping sickness" reached 23 in St. Louis and the surrounding communities, the producers of wheat in the St. Louis area reported today that they were ready to sign contracts to sell their wheat to the government.

Who can enter into the wheat adjustment plan? Any producer who is eligible who has signed and is ready to sign a contract for the standard base period years, 1930, 1931 and 1932.

Is a producer who seeded land to wheat in 1933 but who did not harvest a crop because of weather conditions eligible to sign the contract? Yes.

crippled shipping and menaced shore communities. Large numbers of men in Salisbury, Md., a city of 11,000, were called upon, a witness said, to dig a ditch to divert the Wilcombs river and save the business section from floods. Many other towns in the lower Delmarva peninsula were reported flooded and hundreds of small craft washed away.

Schooner Wrecked
The coast guard reported the four-masted schooner Kohler washed ashore and wrecked, somewhere near Virginia Beach, but its crew was saved. Other coast guard boats saved 100 people at Willoughby Spit, near Norfolk, while still another prepared to assist a barge in distress off Cape Henry.

The seas inundated the Norfolk waterfront yesterday, shattered a pavilion at Wildwood, N. J., and sent wealthy summer residents of Cape May, N. J., fleeing from their homes. Marines patrolled the latter town, where fallen electric wires in pitch dark streets menaced lives. A 300-foot pier was swept away. Damage was placed at \$2,000,000.

A 22-mile gale at Fort Monroe, Va., shattered many cottages occupied by non-commissioned officers' families, and only swift rescue work directed by army officers, prevented loss of life. The old artillery reservation was strewn with wreckage.

In North Carolina, where the beach highway between Kitty Hawk and Nag's Head suffered heavy damage, 40 dwellers on the Albemarle sound mainland were removed by bus to escape the storm's fury.

The gale destroyed three hangars and an airplane near Easton, Md., overturned a coast guard cutter in Long Island sound and capsize a surf boat in which a dozen coast guard cadets were drilling near Montauk, Long Island. The cadets were saved.

The steamship Madison, bound down the coast from New York, had sent out two distress calls yesterday off Chesapeake light when the hurricane threatened to carry away her superstructure and benefit of all but one lifeboat. She fought out the storm, however, and arrived early today at Norfolk with a coast guard craft as convoy.

On Maryland's lower eastern shore overflowing rivers marooned hundreds of people on their second and third crops were leveled on there and elsewhere. The state counted seven dead.

A lumber shanty and a telegraph pole, blown across the Erie tracks near Belleville, N. J., almost wrecked a train, but two boys flagged it in time. A man was electrocuted at Atlantic City, N. J., when he stepped on a fallen wire.

At Sea Girt, N. J., 1,000 national guardsmen spent a sleepless night in their encampment, struggling to keep the tents over their heads. In the New York took the form of a coast, but weather beat them. Officials said it was due to the tropical hurricane nevertheless.

Although the hurricane moved northward from the vicinity of the Caribbean the winds, sweeping counter-clockwise in a tremendous circle around the core of the storm, swept far out to sea and headed back toward the Atlantic seaboard from the northeast.

The storm moved into New York state today, with a deluge of rain that marooned three women and two children on a perilous island in Esopus creek, endangered Catskill mountain villages and sent many creeks over their banks.

A 30-mile gale and rain drove all shipping on Lake Ontario to shelter, and hit the fate of the 45-foot yawl Ontario, only craft to leave Rochester since the storm set in. She was unreported.

Meanwhile at Mt. Tremper, in the heart of the Catskills, swollen Esopus creek whirled about the feet of the three women and two children, whose names were unknown, while the fire department from Poughkeepsie, 90 miles away, rushed to their rescue with a gun and life line.

The five drenched figures, put fully watching attempts to rescue them, had a narrow strip of land, the water only a few feet away.

Twenty miles away, on the west slope of the mountains, the half-flooded village of Fleischmann turned anxious eyes toward the dam which holds back Switzerland lake. When men arose in a

superintendent of engineers riding on the engine reported probably fatally injured. All of the cars were badly smashed, reflecting the force with which the crack flyer struck the damaged bridge.

Dr. Martin J. Keane, Riverdale, Md., who took charge of the rescue work, said all the passengers had been gotten out.

After going over the wreck, the doctor kicked in the window of the mail car to get out the mail clerks and there found two clerks calmly sorting mail, even though badly shaken up by the wreck.

Eastern Branch and all other streams in Prince Georges county, Maryland, were out of their banks all night. Rescue squads throughout the entire county worked frantically getting people out of their homes in low places and were still at that work when the Riverdale, Cheverly, Landover and Bladensburg, Md., squads were summoned to the scene of the wreck.

The derailment happened along a desolate stretch of track where water poured along both sides of the Pennsylvania railroad's double track right of way.

One theory advanced as to the cause of the wreck, was that dredging a hundred years or so below the bridge had permitted the gravel around the foundation of the piles to wash away and let them go out.

TO ENLIST SUPPORT OF BUYING PUBLIC

About 100 members were expected to attend. Feed Dealers in NRA Meeting Here
About 100 members of the Ohio Grain, Mill & Feed Dealers association were expected at a called meeting in Hotel Harding today, with discussion of an NRA code as the principal object.

Whatever reaction to the code is expressed by the association will be transmitted to the National Federation of Feed Associations at a meeting to be called in Chicago soon. The national group will assemble opinions from the various states and attempt to draft a uniform national code for the industry, officers said.

R. H. Brundage of Kingston, O., president of the Ohio association, was in charge of the meeting here. He explained that the code under discussion here concerns feed dealers and that a code for grain dealers was tentatively set up at a meeting two weeks ago in Columbus. Since many of the members of the association are connected in both lines, the meeting today was representative of the entire state. It was to conclude this afternoon.

The code, as tentatively drafted by the national association, provides for a 48-hour work week for labor and 40 hours for office forces. Minimum pay of 30 cents an hour for labor is provided. Office forces would receive minimum salaries of from \$12 to \$15 weekly, according to the size of the community in which they are employed.

Montgomery Miller, manager of the Marion Grain & Supply Co., is a member of the code committee of the state association. Other officers are E. S. Skeets of Cleveland, first vice president, F. E. Barker of Hamilton, second vice president and W. W. Cummings of Toledo, secretary-treasurer.

Kenton Auto Dealers Elect

KENTON, Aug. 24.—Jack Kaiser, owner of a local automobile agency, was elected permanent chairman of a Hardin county association of automobile dealers and garage owners and will present the county's code of uniform prices and hours of operation at a seven-county district meeting in Lima, Friday evening.

AUTO HITS DITCH AS TIRE BLOWS OUT

Several persons suffered minor bruises when an automobile driven by Harley Drummond of Sandusky went into the ditch a mile south of Marion on route 23 last night after a tire had blown out. It was reported today at the sheriff's office. In the car were W. D. Drummond of Sandusky, Mr. and Mrs. Wendel Austin of Nashville, Tenn., Walter Moore and Miss Anna Hammond of Sandusky. They continued to Columbus after passing trucks pulled them from the ditch.

INSURANCE MEN TO ELECT HERE TODAY

tended a "get-together" dinner at the Marion country club last night, one of the social events on the convention.

The program consisted of a talk by Charles L. Gandy of Birmingham, Ala., president of the National Association of Insurance Agents, and a number of entertainment stunts, presented by members of the Toledo, Cleveland and Marion delegations.

Work of the delegates in voting reorganization of the state association yesterday afternoon was given high priority by Gandy, who asserted the group would place the association in the front ranks in its field. It is sensible, moral and spiritual to organize, Mr. Gandy said, quoting a Biblical phrase, "Bear ye one another's burdens and thus fulfill the law of Christ."

Importance of giving their work the best of their ability was impressed on the delegates by Mr. Gandy who said that insurance makes all commerce possible and is a profession as high, noble and important as any in the realm of business.

Praise for NRA
Referring to President Roosevelt's current recovery program, Mr. Gandy said, "The New Deal is today an actuality. This is the tomorrow we were talking about yesterday but now we know the cards will be dealt above the table."

Policy of the national association in signing up under the NRA, Mr. Gandy said, will be determined at the convention in Chicago this fall. Two factions exist in the association, he said, one claiming that immediate steps be taken under the code and the other asserting that while regulation may be necessary, the federal government is not the proper agency to furnish the regulation.

An interlude in the program came when Mr. Gandy presented a pair of shorts and a hat, a Gandhi style by members of the Toledo delegation. The similarity of the names of the two men came in for several puns.

The dignified bearing of Edward J. Cole of Fall River, Mass., chairman of the finance committee of the national association, also was the occasion for two or three jokes. He was presented various humorous gifts and joined in the accompanying laughter with spirit.

Bachman in Charge
A. C. Bachman, president of the Marion Association of Fire Insurance Agents, was in charge of the local program with Asa C. Queen as toastmaster. C. C. Rudabaugh of Youngstown, state president was in charge of the business portion of the program.

A quartet, "The Convicts Male Quartet of Leavenworth," was staged by members of the Toledo delegation, costumed as penitentiary prisoners. The Cleveland delegation presented a two-act playlet, "Before and After," dealing with a day in an insurance office.

The entertainment presented by the local board consisted of a song and dance act by Little Misses Patricia Fulk and Margie Simmons; impersonations by Clarence Kanter of Bucyrus, and a short dance program played by Gene Williams and his orchestra.

Leaders Praise City
Marion as a convention city was given highest praise today by officers of the association. "Your city has fine facilities and your reception here has been most cordial," C. C. Rudabaugh of Youngstown, state president, said. Mr. Rudabaugh also praised the work of the local committee, headed by A. C. Bachman, in arranging the convention.

Other officers joining Mr. Rudabaugh in his praise were H. L. Meek of Columbus, vice president and acting secretary-treasurer, Harry S. Martin of Toledo, former Marion man and a member of the executive committee, F. P. O'Connor of Lima and W. E. Flickinger of Cleveland, also executive committee members.

CHECKS PROGRESS OF CROP PROGRAM

B. B. Spohn of Columbus, district supervisor of the Ohio wheat adjustment program, was in Marion today to check progress of the plan in Marion county. He was conferring with R. H. Gilbert, emergency agricultural assistant for the county.

WOMAN STILL IN SERIOUS CONDITION

Mrs. Beaver Bricker Remains in Hospital; Accident Victim Released.

Mrs. Beaver Bricker of the Ray, Okla., who was injured in an automobile accident Sunday on Route 98, was released from the hospital yesterday. She suffered a four-inch cut beneath her right eye. Usher Rogers of 290 Kensington place who was badly cut and bruised about the head and shoulders when he dropped from a freight train Sunday night, still is receiving treatment at the hospital.

Harry Munro, 1564 South Main street, one of five Marion residents in a car that struck a standing freight train Saturday night on Silver street, also was released. Munro's injuries consisted of bad bruises to his chest and left side, cuts about the face and hands, and the loss of several teeth.

DRIVE STARTED TO CLINCH COAL CODE

Continued from Page One.

Other Codes Prepared
Thirty witnesses had applied for time to discuss this angle, and it did not appear likely the hearing could be finished before proceedings begin tomorrow on the separate code for retail drug stores.

Officials handling the women's dress industry code hearing sought to wind it up today to avoid taking a recess over the week-end.

Besides adjustment of wage terms in the coal code, which is to be drafted virtually anew by Johnson because of the inability of groups within the industry to compose differences on their own, outstanding issues were the union demand for incorporation of provisions for the "check-off" system by which union dues are deducted from pay envelopes at the paymaster's window—and compromise of differences on hours.

Protection Sought
A demand that retail stores be protected from unfair competition to compensate for their enlistment under the blue eagle banner was put before the recovery administration today in renewed hearings on the retail code.

Benjamin H. Namm of Brooklyn said selling establishments must be given a chance to make a fair profit and assured of protection from price cutting and misleading advertising if they were to join. He spoke for 14 big New York department stores.

F. G. Houlihan of Cambridge, Mass., furniture dealer, testified that furniture merchants would "gladly accept" the shorter hours and higher wages imposed under the code if definite means were found to eliminate unfair competitive trade practices.

He urged approval of the trade practice section of the code, locally among other things, forbids misleading advertising. "From New York to Main street," Houlihan said, "the question of false advertising is of vital concern to all merchants and consumers."

He asserted this method of advertising broke down the confidence of the public and increased the cost of advertising to dealers. Adoption of the trade practices section of the code, Houlihan said, was "absolutely vital" to the success of the recovery program insofar as it affected the retail trade.

He said it had been recognized in the administration of the NRA that if business and industry joined in, those cooperating must be protected from those who stay without the fold and continue unfair competitive methods.

Deputy Administrator A. D. Whiteside said the recovery administration was willing to approve fair practice sections in codes if they were found to be equitable.

SELECTIVE SALES TAX ASKED BY GOVERNOR

Continued from Page One.

executive informed the assembly that approximately \$8,500,000 is required for the relief of the weak schools during the remainder of 1933 and all of 1934. He estimated the need for this year at \$3,000,000 and for 1934 at \$5,500,000.

The governor recommended passage of a bill already pending before the house which imposes a 10 per cent excise tax on the retail sale of furs, jewelry, radios and musical instruments, refrigerators, sporting goods, firearms and cameras; a 10 per cent levy on safety deposit

BAND ON BOAT TRIP

WYANDOT.
The Wyandot Grand Frigate band, guest players on the steamship Chippewa, returned from Sandusky. Members from Wyandot vicinity were Misses L. J. Avonelle, J. J. Danna, J. J. Sheekler, Virginia White, L. H. Hite, Stanley Neidermeyer, Sheridan Jury.

"Hi-jackers" preyed on trucks at Omaha. Robbers off groceries which by automobiles for box rentals, a five per cent tax on soft drinks and alcoholic beverages, except beer and beverages now taxed under the crown levy; and a five per cent tax on meals costing more than 40 cents.

Amendments Prepared
Amendments to make the bill conform with the executive recommendations have been prepared, he advised.

The yield anticipated from the taxes yearly was estimated at: furs, \$750,000; jewelry, \$1,000,000; radios and musical instruments, \$1,400,000; refrigerators, \$1,000,000; sporting goods, \$300,000; firearms and cameras, \$200,000; beverages, \$300,000; safe deposits, \$100,000 and meals, \$500,000.

It is desired to use the utility tax proposal embodied in H. B. No. 6 without the bond issue. It may be estimated that home and commercial receipts on the basis of 3 per cent will yield an annual revenue of not more than \$300,000, the governor added. "However, I call your attention to the fact that public utility taxes will not be available before July, 1934."

Another requirement of the executive's school program contemplates repeal of the Lowery amendment to the general appropriation bill which made it mandatory that a three-mill reduction in the real estate levy for school purposes be made in state-aid districts. State department of education officials had estimated the reduction would amount to about \$3,300,000 annually if the amendment was not repealed.

"I am so happy—the last pimple is gone"

Because pimples tend to thrive when normal resistance is lacking, your first thought should be to build up your blood structure... the way to do this is by increasing the red blood cells and their hemoglobin content... this will permit a greater oxygen intake from the lungs into the blood and tissues—including the skin... nourishment will be better converted into energy and tissue repair... body cells, which fight against

micro-organisms (pimple germs) will be strengthened.

KICKS AT SILK HATS

By United Press
SEATTLE, Wash.—People in silk
hats shouldn't be noisy at 5 o'clock
in the morning, according to a
Seattle lawyer. The people, in this
case, are those who frequent the
"Silk Hat," a dinner place near a
local residential district. The law-
yer lives close by and objected to
the noise of those departing during
the early morning hours.

HELD FOR JURY ON CHARGE OF FORGERY

Crawford Countian Pleads Guilty: Allegedly Fleeced Montgomery Ward Stores.

Said by officials to have passed
questionable checks in several
western states, William R. Martin,
68, giving his address as Bucyrus,
R. F. D. No. 2, was bound over to
the grand jury on a charge of for-
gery yesterday afternoon by Muni-
cipal Judge William R. Martin.
Martin was accused of attempt-
ing to pass an allegedly forged
check at the Montgomery Ward
store here Saturday night. Store
officials detained him when they
said his description tallied with

that of a man charged with for-
geries in other stores.
Martin pleaded guilty to the for-
gery charge. Bond was set at \$1,000.
He is being held in the county jail.
Officials said Martin is thought
responsible for the cashing of
forged checks at Montgomery
Ward stores in Boise, Idaho, Des
Moines, Ia., and Rockford, Ill. The
checks in most instances were
drawn for \$12.50, as was the one
cashed here.

RIVERSIDE TIRES are

Blow-Proof!

RIVERSIDE TIRES have LATEX WELDED CORDS

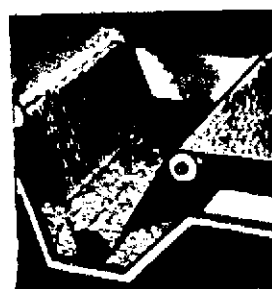

(100% PURE LIQUID RUBBER)

which prevent Cord Separation . . the cause of blowouts

Cord Separation

This shows how cords inside
tires other than Riversides
are separated by heat. Cord
separation causes internal
blisters, weakens the tire. A
blowout is the result. River-
sides are Blow-Proof
because of Latex dipping!

Latex Dipping

By an extra process, every
cord in every ply in all
Riverside tires is dipped
in Latex. This welds the
cords into a super strong
unit that defies cord sep-
aration and blowouts!

Do you know this? An average size tire goes round 395 times
every minute at only 35 miles an hour! Think what happens
when you drive at this speed—or faster! Friction develops
scorching heat inside your tires! In many tires other than
Riversides this heat separates cords and forms internal blisters!
When you hit a rock or a bump . . . BANG! A Blowout!
Riversides' Selected Cords—the heart of the tire—are made
from extra strong, long staple, premium cotton. Every cord
in every ply is dipped in LATEX—100% pure, liquid, virgin
rubber. This welds the cords into a super strong unit!
It gives Riversides the strongest tire carcass made!

Why We Save You Money

Of course Riversides are made in one of America's largest and
best tire factories. BUT—they come direct to us—minus the
manufacturer's selling and general overhead expense. That's
a saving. The second saving comes from Wards low cost
method of distribution. These two reasons explain why we
sell high quality tires for less—why Riversides are better in
quality, mileage, and safety than any other tire at the same
price.

Wards Unlimited Guarantee

For your protection every single Riverside tire is guaranteed
by Wards to give service that is satisfactory to you. No time
limit! No mileage limit! A tire has to be extra good—
to be extra safe to be backed by the strongest tire guarantee
ever written!

"RIVERSIDE TIRES"

will not blow out under normal road con-
ditions during the life of the tread if they are
kept properly inflated in accordance with the
specified air pressure.

One Big Inning Gives Series Opener to Epworth, 3-0

PRESBIES BEATEN AS METHODISTS BUNCH BLOWS OFF VESTAL

Fifteen Hundred Fans See First Game; Gasco To Play Kappas Today.

Slapping a liberal coat of white wash on the First Presbyterians while they were slapping up three tallies for themselves, the Epworth Seniors got off to an auspicious start yesterday in their quest for the city softball championship. The Methodists, champions of the No. 2 Sunday school league, downed the Presbies by a 3-0 score, before approximately 1,500 people, one of the largest crowds ever to see a Little World series opener.

The series will be continued at 6 p. m. today with the Gasco club of the Industrial league and the Kappas of the Commercial circuit providing the fireworks. The game will start at 6 p. m.

Vestal vs Whitcomb
Maury Whitcomb for the Seniors and Freddie Vestal for the Presbies opposed each other on the hill in the inaugural tilt and as is usually the case when these two put their talents against each other, the game turned out to be pretty much of a twirling duel. Both pitchers allowed an even half dozen hits. Vestal, however, allowed the Methodists to bunch four of their safeties in one inning and that cost the ball game for the No. 1 league titlist. Whitcomb kept the Presbyterians hits well scattered. Both pitchers struck out four men.

Vestal had all the better of the going in the early innings. The Presbies jumped on Whitcomb in the first frame for two hits and failed to score only because Judge Martin, Epworth's left fielder, left field to nip Bacon at the plate for the third out. The Methodists could do little with Vestal's tosses for three innings, failing to hit safely once in that period. The fourth inning, however, saw the fireworks break loose. When that one big uprising was over the ball game was over too—for the Presbyterians.

Four Safe Hits
Epworth pounded out four clean hits in the fourth but might have been held to one run even then if Milt Pohler had not had the misfortune to pick this particular inning to turn in a pair of errors. Pohler's misplays allowed two runs to score but had neither of them crossed the plate the only difference it would have made would have been in the margin of victory. The one run which Ballenger drove in with his Texas league single into right field might have been plenty, as later developments showed, to have won the ball game.

After that one assault, the Methodists settled down and were quiet enough for the rest of the time, not even threatening seriously to score again. The Presbies made one or two efforts to start a rally but each time they failed as Whitcomb bore down and put a stop to the attack.

Thus the Methodists marked up the first victory of the eighth annual city series while the Presbies are put at a strict disadvantage in their quest for the second city championship in three years.

BOSTON GAINS HALF GAME ON GIANTS BY BEATING CARDS, 4-3

Berger's Two Homers Top St. Louis; Tribe Beats Yanks.

By The Associated Press
Rapidly getting into a position where their six-game series to be played in four days with the New York Giants a week hence can rightfully be called "crucial" the Boston Braves today trailed the league leaders by only six and one-half games.

While the Giants, together with other teams of the National league, were being rained out for the third straight day, the Braves yesterday chalked up their fifth successive victory at the expense of the St. Louis Cardinals, winning 4 to 3.

Berger Hits Two
Wally Berger, 28-year-old outfielder was the big noise. He blasted out two circuit blows, his twenty-third and twenty-fourth of the season and they accounted for all of the Braves' runs. They also sent him one up on Chuck Klein in the National league.

The washout at the Polo grounds added another doubleheader to the many already on the Giants' schedule.

In the American league, the Washington Senators gained a half-game on the New York Yankees, increasing their margin to eight full games. While the Senators were dividing a doubleheader with the Detroit Tigers, the world champions dropped a close decision to the Cleveland Indians.

Tommy Bridges, the Tigers' brilliant right-hander, pitched and battled Detroit to a 2 to 1 decision in the first game but in the nightcap, the Senators slugged D. Matherly, and his successors, often and hard to win, 9 to 5.

Brown Beats Ruffing
Clint Brown outpitched Charlie Ruffing to give the Indians their 2 to 1 victory over the Yankees.

Two great pitching performances on the part of Sam Jones and Ed Durham gave the White Sox two victories over the Red Sox and extended Boston's losing streak to nine games. Jones held the Sox to three hits in the opener, while Durham pitched four-hit ball in the second affair. He was deprived of a shutout only when Red Kress and Al Simmons, who got one hit in seven times at bat, errored after two were out in the ninth.

CHICAGO, Aug. 24.—What's a winning pitching performance in the life of the Dean family, anyway?

"Dizzy" Dean is striking 'em out in the National league. Brother Paul is doing the same thing and piling up victories in the American Association, down on a St. Louis Cardinal farm.

Yesterday, Paul, affected at the start with a little Dean wildness on the mound, straightened out to pitch his twentieth victory of the season, a 5 to 4 decision for Columbus over St. Paul. He allowed eight hits and struck out seven batsmen. He also walked six.

Minneapolis lengthened its lead over St. Paul in the struggle to meet Columbus in the play off next month to seven and one-half games yesterday by defeating Toledo, 5 to 4, as the Saints fell before Dean and the Red Birds. The game was a pitching duel between Harry Holsclaw of the Millers and Roxie Lawson of the Hens but Cohen and Glenn provided the winning punches, driving in two runs each.

STAR FLINGER

DICK WARD
When the Chicago Cubs get their 1934 shipment of talent from the Los Angeles club of the Pacific coast league, it is likely that Dick Ward will be included in the lot. Ward, a pitcher, planned a boxing career until he smashed both hands in his tenth bout. Now he's one of the most brilliant pitchers in the minors. The Cubs can use him.

ALL-STAR FOOTBALL COMBINES SET FOR STRUGGLE TONIGHT

West Slight Favorite Although East Has Greater Galaxy of Stars.

By The Associated Press
CHICAGO, Aug. 24.—Marshaled by two of the college gridiron's cruelest strategists, the all-stars of east and west clash in football's dream game under the arc lights of Soldier field tonight.

Coach Howard Jones of Southern California will lead the forces of the west, recruited entirely from the Pacific coast stars of the last two years, while Coach Dick Hanley of Northwestern, with football aces of the midwest and south, guides the destinies of the east.

Upwards of 35,000 spectators are expected to watch the duel of the stars. It was the one game that both coaches have sought long to stage.

Teamwork To Count
On the basis of past reputations, Coach Hanley probably had an edge in first ranking stars for the battle but the westerners were slight favorites to win. Listed on the probable starting lineup of the west were seven former stars of Southern California football fame, all well versed and schooled in the celebrated Jones system of maneuvering touchdowns. Five former Trojans were posted along the front line and two more in the backfield, to carry on for their old master, insuring the west a great amount of team play so sorely missed in all-star games.

Coach Hanley built his team—and hopes—almost entirely around Harry Newman, Michigan's all-American star and one of the dead-line passers the game has ever known. Aided by a special ruling, permitting forward passes from anywhere behind the line of scrimmage, Coach Hanley flanked Newman with several exceptional pass receivers, among them Pug Rentner and Frank Baker, both of Northwestern.

Stirring Tilt Likely
Stirring struggles, collective and individual, were expected along the line and in the backfield. The probable starting lineups:

East: Robinson, Minn., l. e. Sparling, Cal. Tiller, N. C., l. e. Brown, Cal. Mann, Minn., l. e. Gill, Cal. Ely, Neb., l. e. Williamson, S. C. Harris, N. D., l. e. Baker, Cal. Kuhn, N. D., l. e. Smith, Cal. Foster, Ohio, l. e. Nesbit, Wash. Newman, Mich., q. b. Schladach, Cal. Zimmerman, Tull., h. Krause, Gonk. Rentner, N. C., r. b. Drury, Cal. Horstman, Fur., f. b. Shaver, Cal.

West: Belle, a well-resistant watermelon developed at Iowa State college, is reported "doing well" in disease-infested fields of eastern Iowa.

600 SHOOTERS FACE FIRING LINE TODAY IN HANDICAP EVENT

Feature Is Preliminary to Blue Ribbon Classic of Vandalia Meet.

By The Associated Press
VANDALIA, O., Aug. 24.—Over 600 shooters faced the firing line today to compete for the world's second richest trapshooting prize, the preliminary handicap fired annually before the blue ribbon classic of the year, the Grand American.

Shooters from every state in the union, 12 from the Canada Zone and four from Canada will compete for the \$4,000 cash offered for the top guns on 100 single targets at 125 to 25 yards.

The preliminary is held in order that competitors in the Grand American may become accustomed to the yardage assigned them. It is strictly an amateur affair, although many professionals take part for the glory alone.

Yesterday's events, the clay championships, brought 41 of the widest speers of target breaking that have been witnessed during handicap week for many a year.

The feature of the day was the extra target race between Morgan Davis of Springfield, O., and M. C. Bray of Bloomington, Minn. for third and fourth place in class A. These two marksmen and four others tied at 194 targets. All except Davis and Bray dropped out shortly after the extra shooting started.

These two stood side by side and matched target for target, with Davis emerging the winner, breaking 99 out of 100, and Bray one less. Davis dropped his first target in the shoot off and then hit 99 straight.

Elmer Torge of Wailes Center, N. Y., Mark Arle of Champaign, Ill., and R. M. Jenkins of Orleans, Ind., tied at 199 in class AA, and finished in the order named in the shootoff.

Mrs. Mark Carter of George Creek, Tex., won a dress-making contest with a model she created from discarded fertilizer sacks.

M'EWAN TO COACH BROOKLYN GRIDDE

By The Associated Press

NEW YORK, Aug. 23 — C. H. Keener (Red) Cagle, new owner of the Brooklyn Dodgers, the National football league team, today announced that he had signed M'ewan to coach the team.

announced he had signed John E. McEwan, his former A coach to coach the Dodgers during the coming season.

McEwan coached the Cadets in 1925, the year Cagle was broken in, went from there to Oregon and last fall ended a two-year reign at Holy Cross, leaving the team mid-season after a disagreement

with the athletic authorities.

POLICE HUNT FAILS TO FIND JOE WHITE

Marion Man Sought After Union County Burglary; Companion in Hospital.

Search by authorities of two counties for Joe White of Marion who eluded capture early yesterday morning, following burglary of a junk shop near Broadway, O., in Union county had produced no traces of him at noon today.

White and a companion, A. Woodring, 25, of North Grand avenue, were trapped by Union county authorities as they started to drive away from the Trex's junk yard with a load of stolen goods. Woodring was shot in the back during the flight, is in Mt. Carmel hospital in Columbus while White is still a fugitive. Woodring's condition is regarded as dangerous.

Police reports show that on Sept. 17, 1928, White was sentenced to 90 days in the county jail for breaking and entering the Lykens chapel Methodist church and stealing \$20 worth of bibles. He pleaded guilty. On two other occasions, White came into conflict with the law. On Dec. 22, 1927, was on a charge of illegal possession of liquor. He was acquitted. The other was a charge on Jan. 3, 1929, of threatening J. W. Jacobs with a gun and menacing his life. A fine of \$25 and costs was suspended pending good behavior.
